1.1 Abriox hereby grants you ("the Licensee") a non-exclusive licence to the Software we have supplied to you ("the Software").

1.2 Except in the case of a Single User Licence, the Software is intended to be used corporately and you may make unlimited copies of it for use within your own organisation only.

1.3 However, a Single User Licence is intended for use by one individual, and to be installed on one computer, within your organisation and may not be copied except for back-up purposes.

#### **2. RESTRICTIONS**

- modify, translate, reverse engineer, decompile, disassemble or create derivative works based upon the Software
- rent, lease, sell, offer to sell, distribute, or otherwise transfer rights to the Software to any third party
- remove any proprietary notices or labels on the Software or Documentation.

2.2 The rights granted to you under this Agreement may not be assigned, sublicensed or otherwise transferred to any third party without the prior written consent of Abriox.

#### **3. TITLE**

3.1 Title, ownership and intellectual property rights in and to the Software shall remain in Abriox. The Software is protected by copyright law as well as other intellectual property laws and international copyright treaties.

3.2 This Agreement shall terminate automatically if you fail to pay for the Software within the period stated in Abriox's Terms and Conditions of Sale, which are available separately.

3.3 This Agreement shall terminate automatically if the Licensee fails to comply with the limitations described in this Agreement. No notice shall be required from Abriox to effect such termination. On termination, Licensee must destroy all copies of the Software.

#### **4. DISCLAIMER**

The Software is provided without warranty of any kind. Abriox disclaims all warranties, including without limitation any implied warranties of merchantability, fitness for a particular purpose and non-infringement. The entire risk arising out of the use or performance of the software and documentation remains with the Licensee. In no event shall Abriox be liable for any consequential, incidental, indirect, special, punitive, or other damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, loss of data or other pecuniary loss) arising out of this Agreement or the use of, or inability to use, the software.
